culture

College Survival Kit Workshops

Life can be confusing for parents and prospective college students. They have a lot of college-related material, but are not exactly sure what they need, when they need it, and how to organize it.

These workshops provide parents and students the opportunity to get organized to successfully navigate the college-going process. Participants receive a filing system and a customized flash drive to organize materials.

Access our kit at www.sccresa.org
Click on the **KnowHow2GO** tab on the homepage
and select College Survival Kit.
